

installation & dismantle

When it comes to installation and dismantling of exhibits, no one does it better than Freeman. With more than 75 years of experience, our group of specialists is ready to assist you with all of your exhibit requests, from beginning to end.

Whether you choose to supervise or you need the assistance of a full-time Freeman employee, we can meet all your needs, from shipping and storage to emergency on-site repairs to basic installation and dismantling to support service coordination including electrical, furnishings and more. Freeman has the resources and the capabilities to help you have the most successful show experience possible.

do i need to order labor?

As an exhibitor, you are required to follow local labor jurisdictions. Please refer to the enclosed "Labor Jurisdictions" information sheet for details.

installation and dismantling services available

Freeman will work closely with you to coordinate every phase of your trade show participation, including:

- Preplanning and budget consultation
- Support service coordination – electrical, furnishings, floral and more
- Shipping and storage management
- On-site supervisors with dedicated floor managers
- Skilled labor and technicians for installation and dismantling
- Full, in-house carpentry
- Graphics production
- Emergency repairs and refurbishing
- Postshow evaluations
- Multiple show coordination

Supervise any labor yourself, or if you need assistance, Freeman I&D experts will do it for you.

if you use Freeman staff

Exhibits are set up prior to your arrival under the direction of Freeman I&D supervisors. We charge 30% of the total labor charge, with a minimum \$45 fee.

if you supervise yourself

Installation – Your labor supervisor must check in at the exhibitor service center to pick up laborers. Upon completion of work, your supervisor must return to the exhibitor service center to release the laborers. Start time is guaranteed only when labor is requested for the start of the working day.

Dismantling – When scheduling dismantling labor, be sure to allow time for empty containers to be returned to the booth after the close of your show. Start time is guaranteed only when labor is requested for the start of the working day.

UNION JURISDICTIONS IN HOUSTON

UNION REGULATIONS

To assist you in planning your participation in your Houston show, we are certain you will appreciate knowing in advance that union labor may be required for certain aspects of your exhibit handling. To help you understand the jurisdiction the various unions have, we ask that you read the following:

CARPENTERS LOCAL 551

Currently we have an agreement with the Carpenters Local 551 to provide labor for display installation and dismantling. Full time employees of the exhibiting companies however, may set their own exhibits without assistance from this local. Any local services that may be required beyond what your regular full time employees can provide, must be rendered by Local 551. Labor can be ordered in advance by filling out the Display Labor section in the THE FREEMAN order form, or on showsite, at THE FREEMAN Service Desk.

MATERIAL HANDLING

Exhibitors may hand-carry their own materials into the exhibit facility. The use or rental of dollies, flat trucks and other mechanical equipment, however, is not permitted. FREEMAN will control access to the loading docks in order to provide for a safe and orderly move-in/move-out.

TIPPING

FREEMAN requests that exhibitors do not tip our employees. They are paid at an excellent wage scale denoting a professional stature, and we feel that tipping is not necessary. This applies to all THE FREEMAN COMPANIES employees. Any request for such should be brought to the attention of a Freeman representative at THE FREEMAN Service Desk or correspondence may be directed to the attention of the General Manager at the local office address.

SAFETY

Standing on chairs, tables or other rental equipment is prohibited. This equipment is not engineered to support your weight. FREEMAN cannot be responsible for injuries or falls caused by the improper use of this equipment. If assistance is required in assembling your booth, please order labor in the Display Labor section in THE FREEMAN order form and the necessary ladders and/or tools will be provided.

NOTE:

- If you encounter any difficulty with any laborer, or if you are not satisfied with the work performed, please bring this to the attention of the Show Manager at FREEMAN. Please refrain from voicing complaints directly to craft personnel.
- The person in charge of your exhibit should carefully inspect and sign all work order forms. If there are any questions about any bills, bring the bill to the appropriate Service Desk and discuss it with the person in charge.

HANGING SIGN LABOR AND EQUIPMENT

INSTRUCTIONS

- All ceiling rigging must conform to Show Management rules and regulations and facility limitations.
- All overhead hanging must be assembled, installed, and removed by Freeman. Please refer to the Freeman Terms and Conditions found in the Exhibitors Services Manual as it relates. Please complete the enclosed Labor Order Form for labor to assemble your hanging sign.
- Set up instructions must be provided for signs needing assembly.
- Hanging anchor points must be pre-fabricated and ready for use.
- Overhead hanging signs are to be sent in separate containers directly to advance warehouse using the enclosed Hanging Sign Labels. This container MUST arrive no later than one week prior to the first exhibitor move-in day. If these procedures are not followed, Freeman cannot guarantee the hanging of your sign.
- Electrical signs must be in working order and in accordance with the National Electrical Code. ELECTRICAL SERVICE requirements must be ordered in advance on the enclosed ELECTRICAL SERVICE Order Form.
- If any hang point supports over 250 lbs., notify Freeman immediately for special authorization.

SIGN DESCRIPTION, SIZE & WEIGHT

- For signs other than banners, include blueprint or drawing with detailed information so hanging anchor points may be determined.

Supervision for assembly and disassembly of overhead hanging sign can be provided by Freeman, or by your company representative, display house, independent or lighting contractor.

Please indicate method of supervision you require for assembly/disassembly:

- _____ Freeman
- _____ Exhibitor Personnel
- _____ Display House

Additional crew and/or equipment will be used if the supervisor deems it necessary to safely complete the installation and/or dismantling of a job and it will be charged accordingly.

Important: Sign description, size and weight, placement diagram with the correct spec's and orientation and a close estimate of condor and crew time must be filled out or sent in with hanging sign order before the deadline to receive the advance rate.

INSTRUCTIONS

- All rigging must comply with Show Management rules, regulations and facility limitations.
- Freeman is the exclusive provider of rigging service. Truss and chain motor rental from Freeman includes all material handling charges. All other equipment will be charged at rates published in the service manual.
- All overhead rigging and flown objects must be assembled by Freeman. Exhibitor's display company, and/or I&D representatives, may supervise only, but will not be allowed to assemble, install, or remove rigging or flown objects. No one other than Freeman employees will be permitted in lifts. Please complete the enclosed Labor Order form for labor to assemble/disassemble rigging and flown objects.
- Rigging plots must be submitted in advance by exhibitor. These plots must show the location of the hangpoints, the height above the floor of the hangpoints, and the weight of each point. The plot must show the Booth outline with the Front Aisle for reference.
- Lighting contractors or exhibitors please contact the I & D Dept. at Freeman (713) 433-2400 to review truss and chain hoist requirements, general questions, or assistance in creating a rigging plot.
- For Boom Lift and rigging crew, use the FREEMAN HANGING SIGN order form.
- A Structural Integrity Statement form must be included for any exhibitor supplied flown objects.
- Hanging Sign rules will apply to any exhibitor supplied flown objects.
